Cowboys Rally To Trip St. Francis

By JOHN BERGENER
Blade Sports Writer

The patient was Libbey's Cowboys, open heart surgery was needed to save the life of a City League Blue Division basketball contender, and performing the operation was coach Jim Robinson.

The early prognosis is successful after the Cowboys rallied in the second half on their home court Friday night to lasso defending Blue Division champion St. Francis, 55-49.

"Hey, every game for us now is the Blue Division championship game," first-year coach Robinson said.

Certainly the second half against the Knights was a must for Libbey, which faced extinction from the division race with two league losses heading into the St. Francis game. The Knights were 2-0 in league play.

The Cowboys had scored 16 points in as many first-half minutes while com-

mitting 15 turnovers and shooting 28 per cent from the field.

But, at the other end of the floor where Knight coach Val Glinka said, "You can't keep getting opportunities and not take advantage of them," St. Francis was shooting 27 per cent from outside, compiling 11 turnovers, and scoring 23 points.

"I wasn't displeased with the first half except with our offensive execution," Robinson said. "We wanted two passes and a shot in the second half. We moved several players on the floor. That's a tough zone defense St. Francis plays."

"I told the players after we lost to Central the other night (Tuesday) that at the beginning of the football season Dallas and Pittsburgh always get a loss or two. But looks who's always there at the end."

"This team is beginning to build some character. We were 10 points down to

Scott and came back to make a game of it. We were 10 down to Bowsher in the second half and won on the road. We were eight down to Central the other night and came back. And then tonight ..."

With senior guard Rueben Hunt, who had gone one of five from outside in the first half while at times looking as if he would have trouble making a junior varsity team, sizzling after intermission, the Cowboys upped the tempo and erupted for 22 third-quarter points.

"How can that be the same kid?" Robinson asked after Hunt drilled five of seven second-half goals.

St. Francis scored just two points in the initial 5½ minutes of the third period. Hunt, meanwhile, tossed in three bombs during that time. Alvin Garmon added two, and Todd Kynard, Darryl Jones, and Willie Hightower chipped in with one field goal each.

And when Hunt netted his 10th point of the quarter on a basket with 1:40 remaining, the Cowboys led, 36-29.

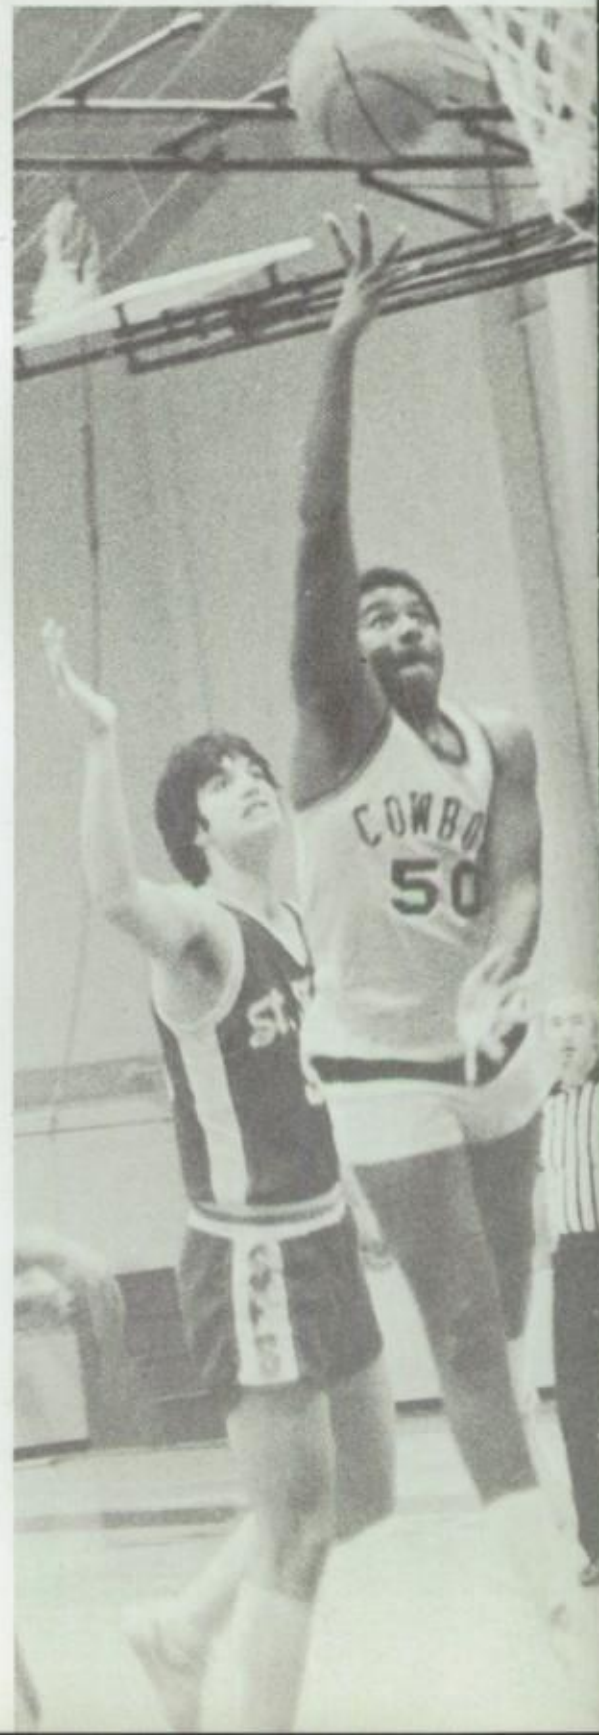

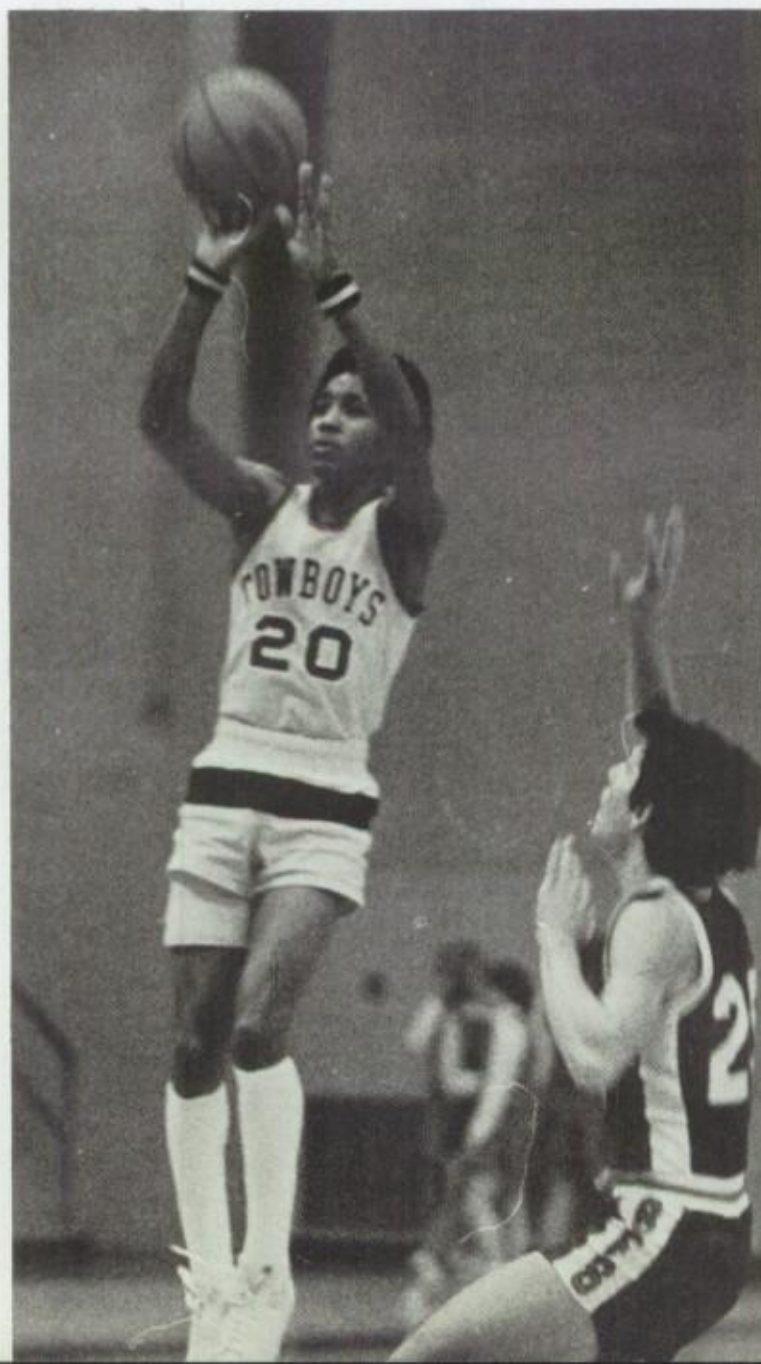

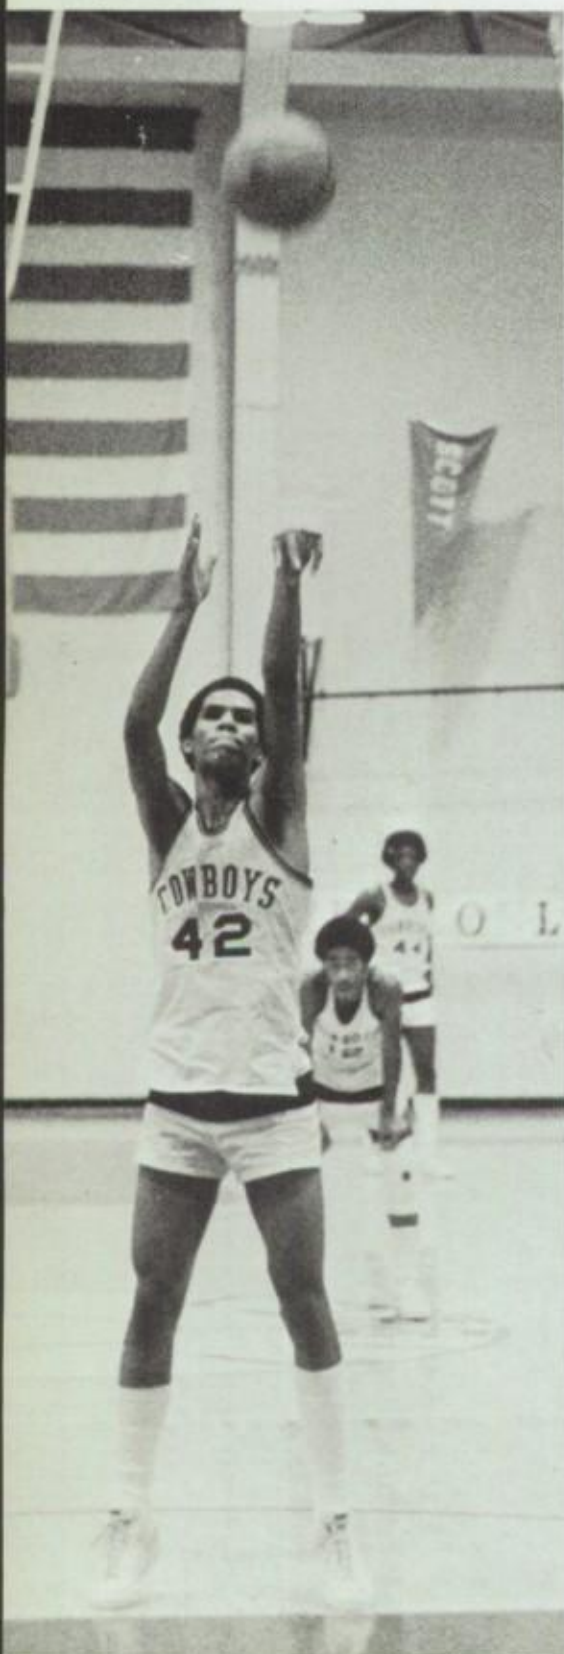

the Cowboys that produced layups by Jones, Garmon, Hightower, and Garmon again with 21 seconds left.

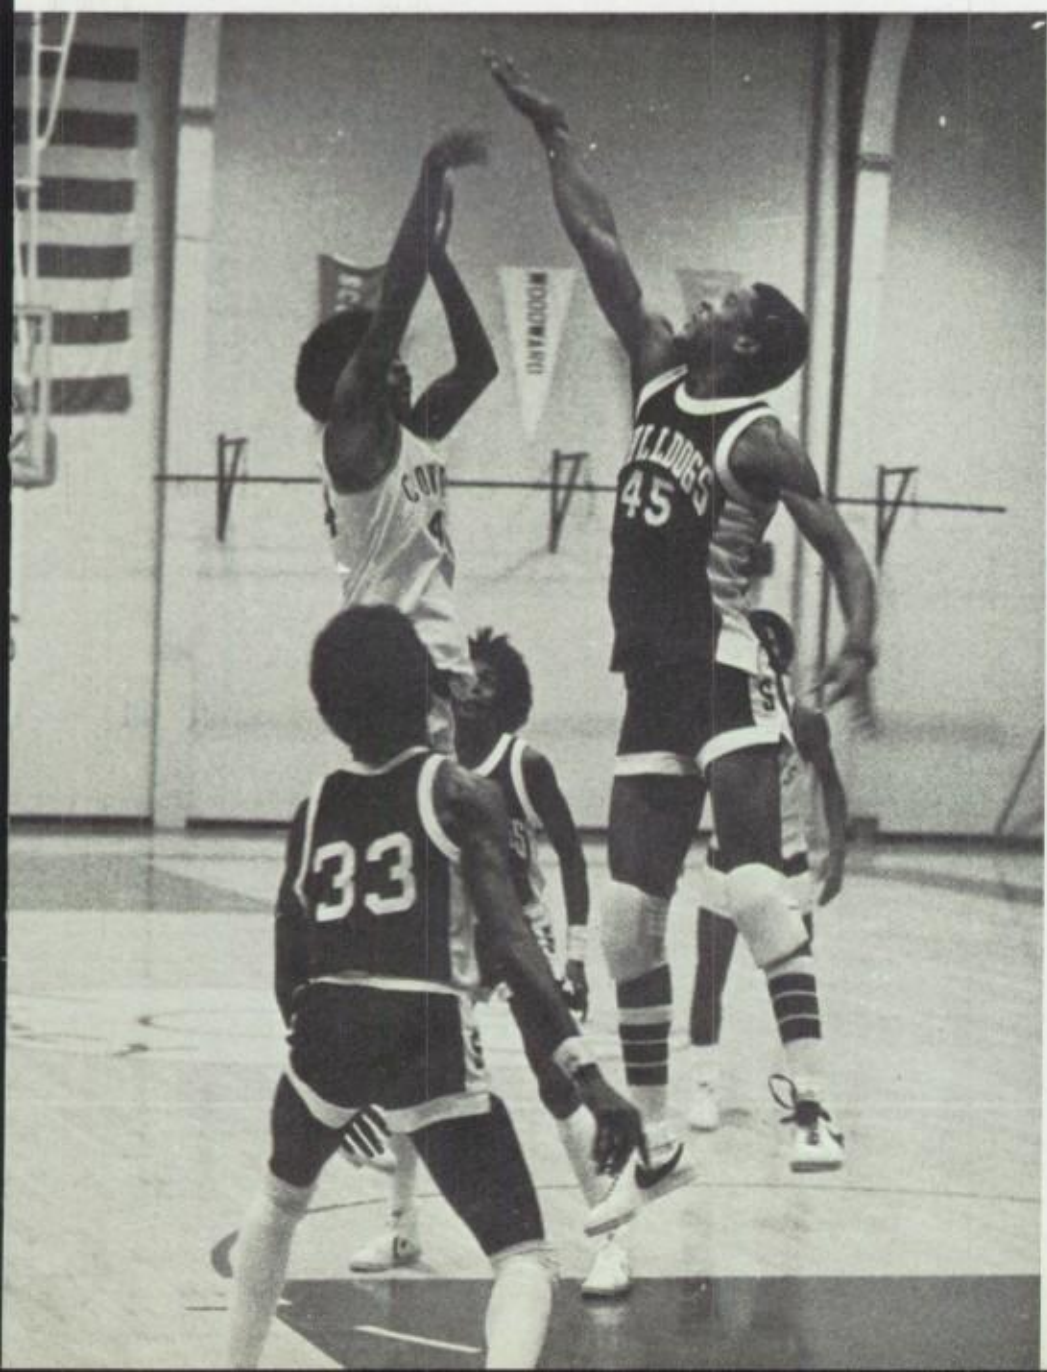

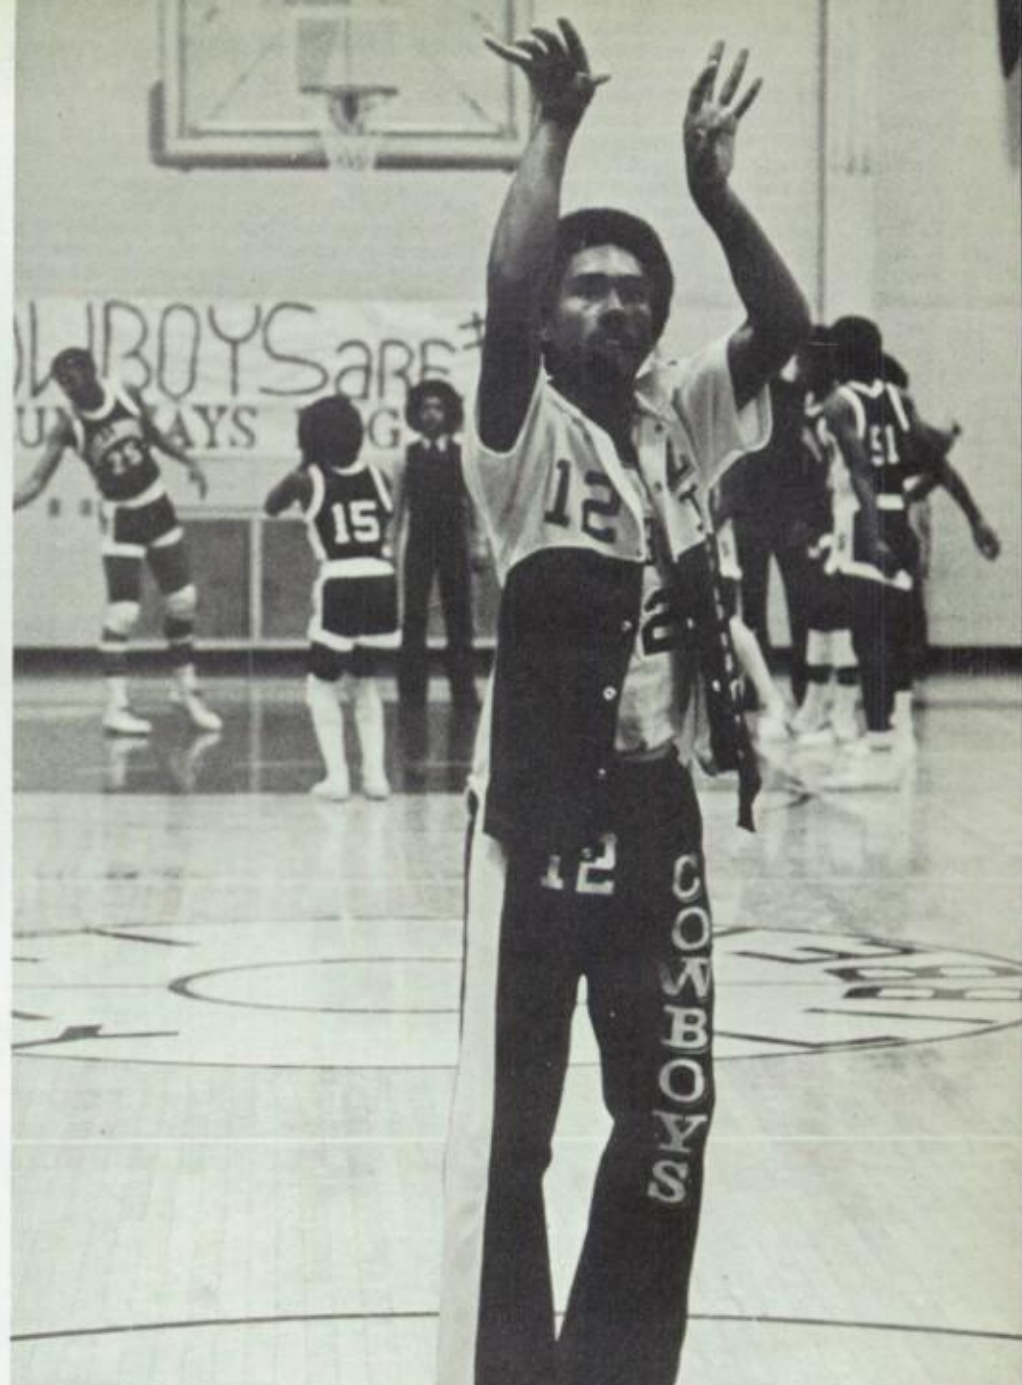

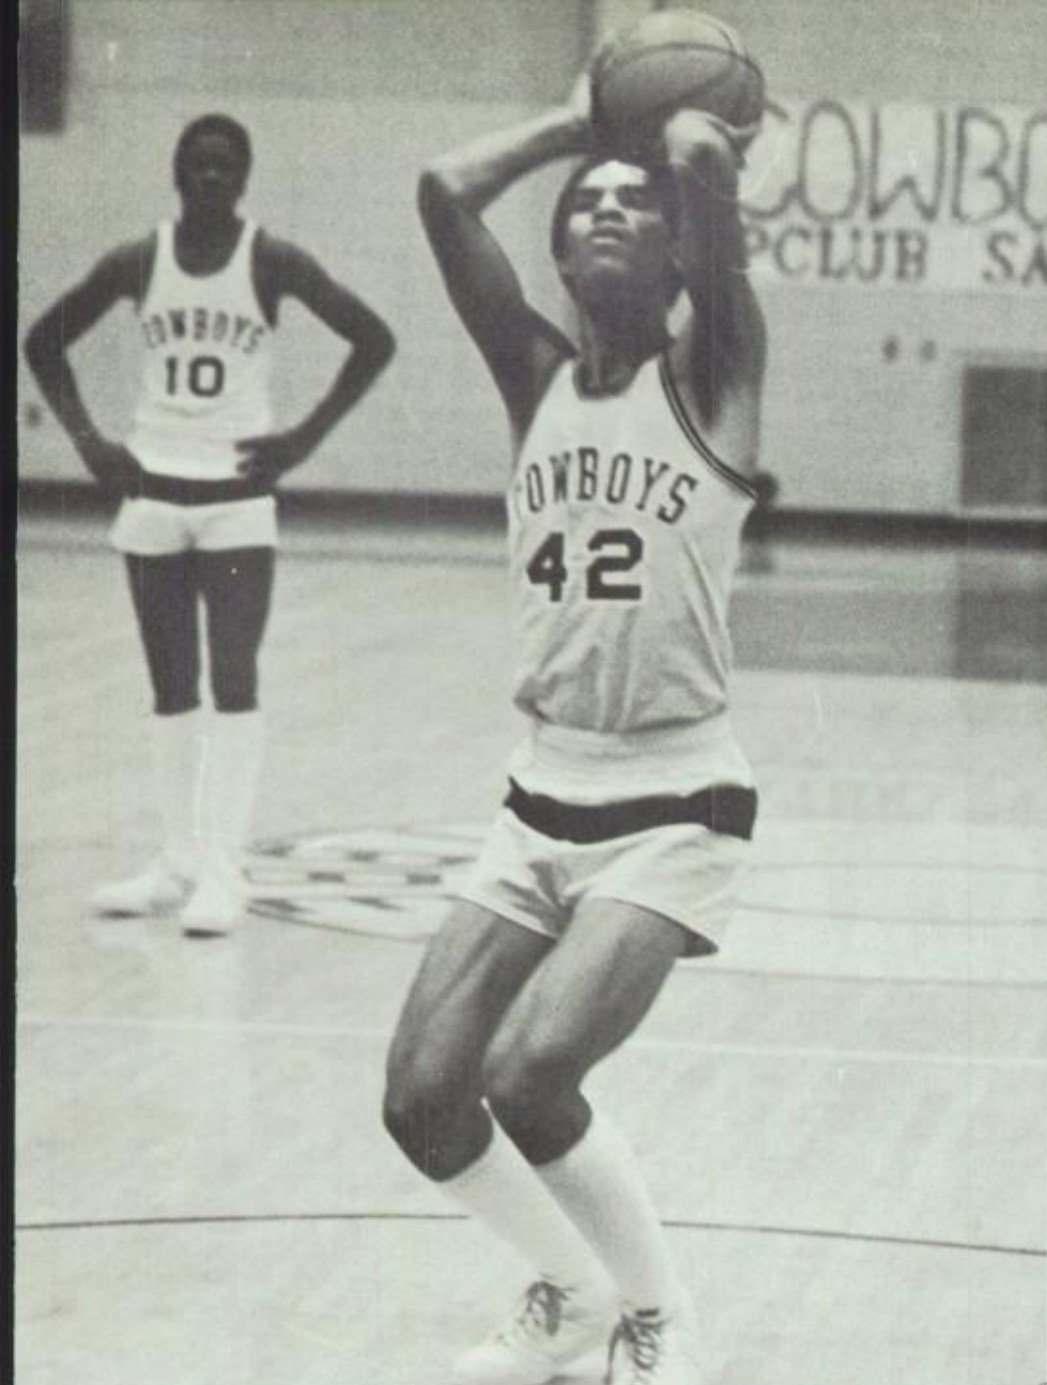

Garmon topped Libbey with 19 points and paced both teams with 15 rebounds.

Guard Michael Mack then tallied his only points of the game on a jump shot from the corner with 5:42 remaining. Hunt and Jones followed with baskets for a 44-39 advantage with 4:20 to play.

Best finally ended another Knight scoring drought of more than three minutes on a rebound with 2:56 to play.

TODAY'S ORIENT TOMORROW

SENIOR ROBERT KEMP BEGGING VICKIE ELLIS A SENIOR FOR A DATE

Pride is Felt,
then demonstrated
in attitude,
conduct.

It is a possession long hoped for,
worked toward;
doing something
better,
or best;

watching someone close to you
painstakingly
overcome
a problem;

receiving recognition.

Hit it April' Hit it' this is flexible stretchable
April Reeves a Junior, who can also dance.

SENIORS TATING WS SENIORS

Looking back in regret
Not sadly,
but thoughtfully
Over success and failure,
Torn.
Glad it is past
And wishing
it could be yours again
just for a moment.
Taking the last look
before facing
the future.

These students are probably just wasting their time in Libbey's new library, because they're certainly not reading or studying. Left To Right — Valerie Douglas Sr. Tracy Kynard jr. Top Row — Louis Apodoca sr. Lynn Allen sr. Walter Parker sr. Kim Massey

Cardell Mallet sr. and Alvin Garmon sr. are just hanging around waiting for the bell to ring.

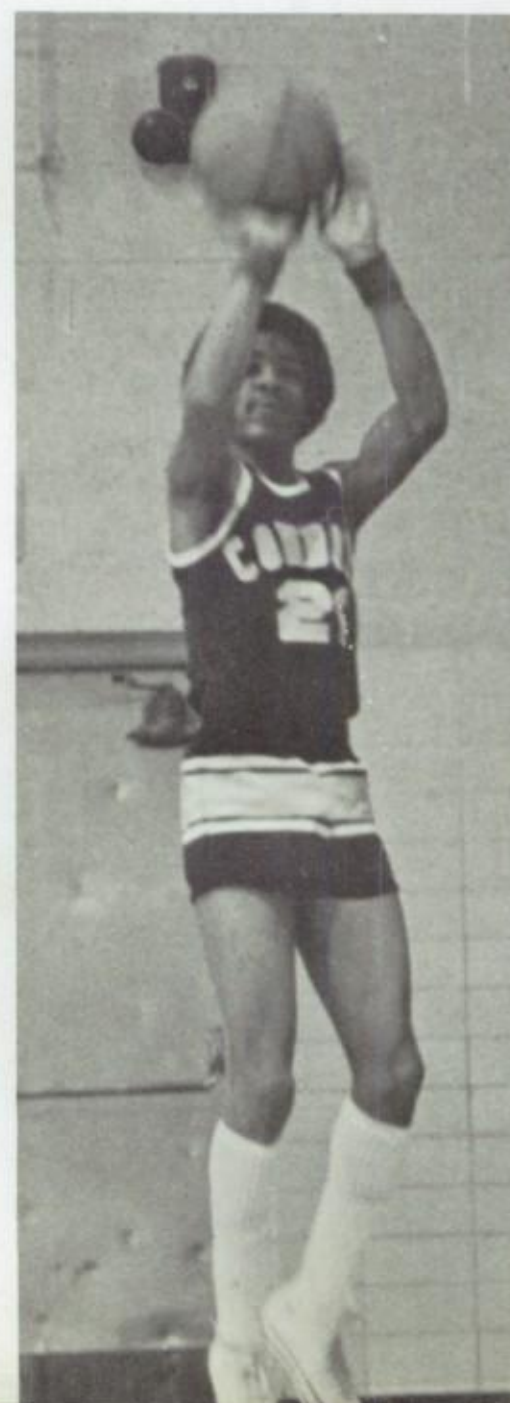

NO, STOP IT, I SAID STOP IT, you can't do that to Tracy Kynard jr. Although she was voted the most talkative junior of the year, maybe now she'll cool it a little but please don't do that to her.

Susan Fifer sr.

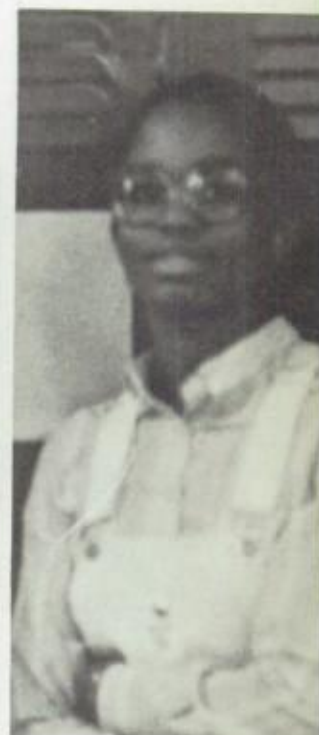

Orlando Kynard sr. jumping high with a lot of style

Razz Ma Tazz with a little Jazz dancing at the pep rally are Phyllis Hill, Gwen Moore, and of course Cheryl Bowen

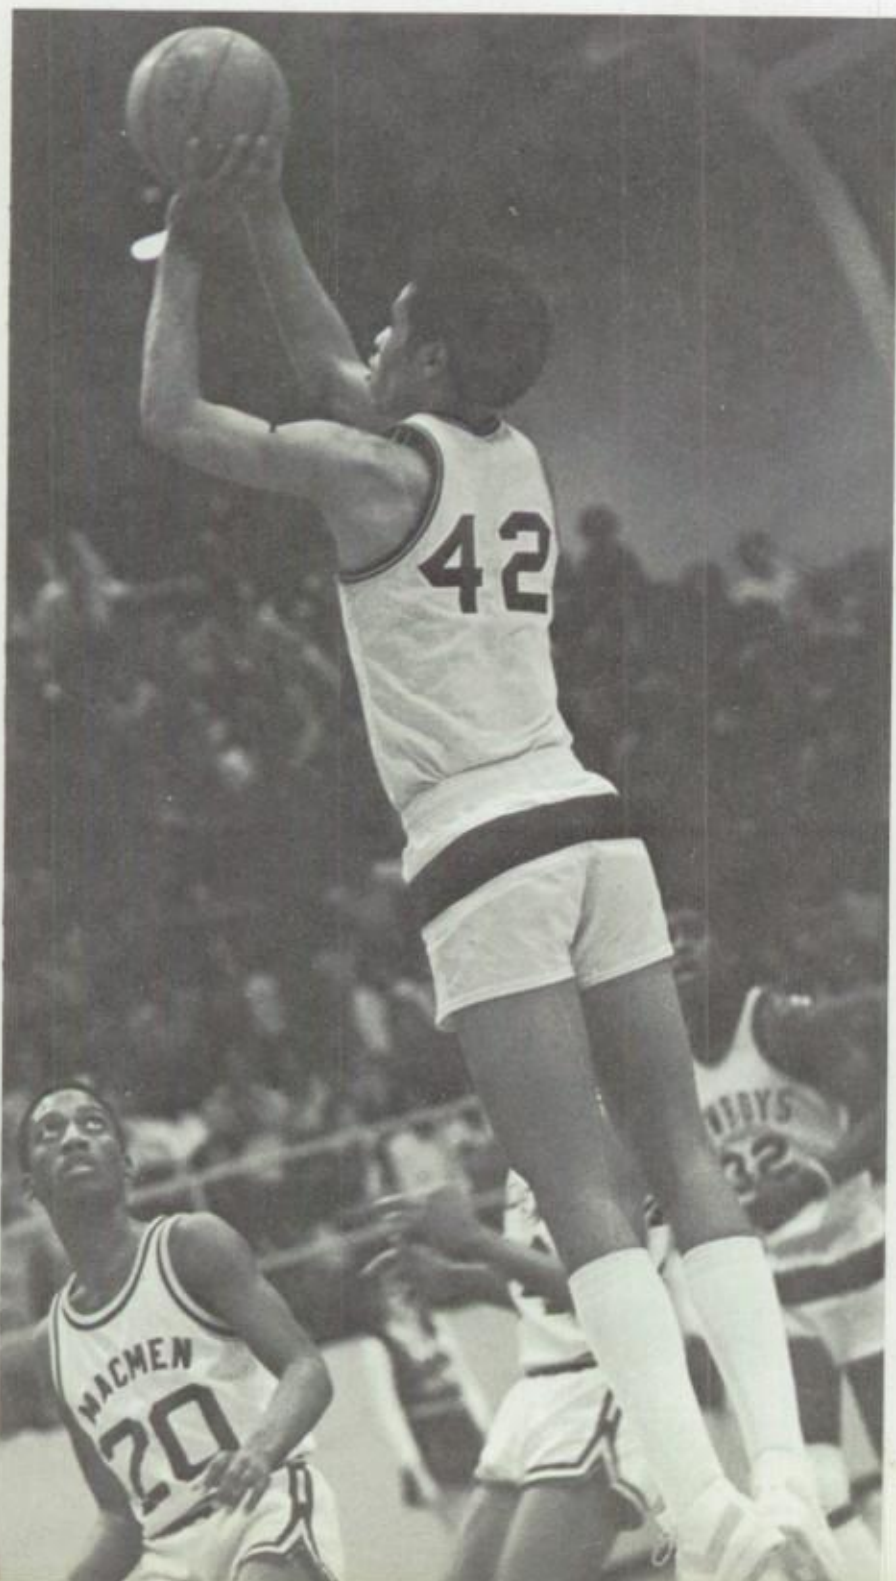

Just hanging around with the crowd in the new library: Valerie Douglas, sr.; Faithann Ontiveros, jr.; Louie Apodaca, sr.; Kim Massey, sr.; Lynn Allen, sr.; Melanie Radtke, sr.; Scott Rankin, sr.; Walter Parker, sr.; Charles Watson, sr.

Juanita Turner, sr.

The day before the Libbey-Rogers football game, some Rogers Rams sneaked into the Libbey football stadium and hung a stuffed jersey and pants with Michael Cavanaugh's jersey number on it. Libbey students are taking it down.

Up in the air with Reuben Hunt.

Students from the Senior Class enjoyed a relaxing, fun-filled spring vacation in New Orleans. The group met at the Toledo Express Airport for their Delta Flight departing at 7:15 a.m. We arrived in New Orleans at 10:06 a.m. where a special bus was waiting. We checked into our lovely hotel, Holiday Inn's "Chateau LeMoyne" in the French Quarters. We found New Orleans to be an exciting city where the past is vibrantly alive in the midst of modern times. We visited and toured the famed Superdome, St. Louis Cathedral, and the fantastic French Quarters.

TO THE SENIOR CLASS OF 80

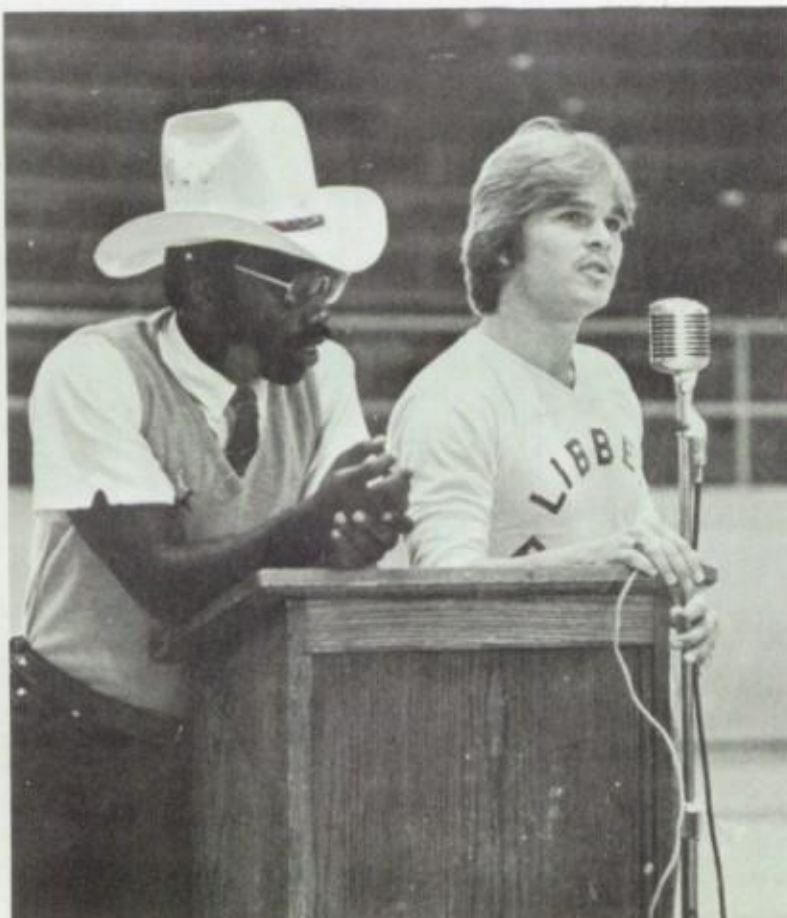

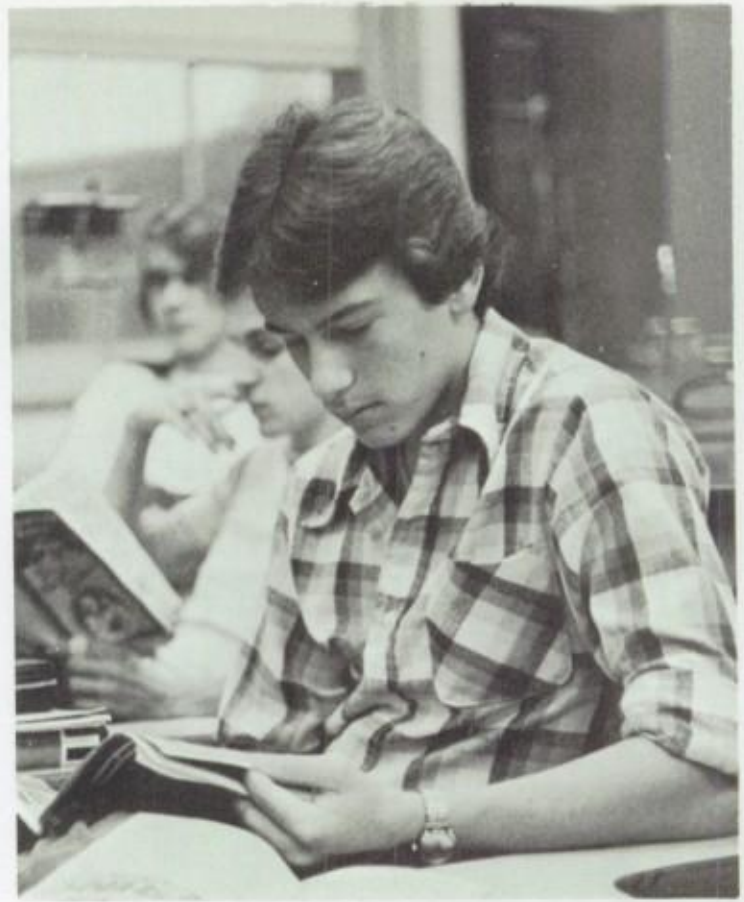

THIS YEAR REPRESENTS THE YEAR OF DECISIONS. IN REALITY WE ARE JUST BEGINNING OUR LIVES AS ADULTS.

NEVER THE LESS, NOW IS THE TIME FOR YOU TO REFLECT ON THE PAST, BUT NOT TO LINGER ON THE PAST, FOR THE PAST IS GONE AND CANNOT BE CHANGED. IT IS TIME TO VENTURE OUT INTO THE WORLD, PROJECTING OURSELVES WITH CONFIDENCE AND DETERMINATION AND ALWAYS STRIVING TO ACHIEVE SUCCESS.

YES, WE'VE COME A LONG WAY AND WE'VE ACCOMPLISHED A GREAT DEAL, BUT THERE'S A LONGER ROAD AHEAD AND MUCH MORE TO ACCOMPLISH.

SO DO AS JESSE JACKSON SAID: "STAND UP AND SAY I AM SOMEBODY AS A PERSON, WE ARE SOMEBODY AS A WHOLE." BELIEVE IN YOURSELF, BE POSITIVE, THINK POSITIVE; DON'T LET ANYONE CHANGE YOUR MIND.

MEMORY LANE, OUR HOMECOMING THEME SELECTED BY LYNN ALLEN

At Libbey High School, Homecoming is one of our biggest events. For the past three years Homecoming has always been a special remembrance for me. Homecoming takes us back down Memory Lane with the special memory of our dances, the football games, and of course our king and queen coronation. Special events like this highlight our good times together. Homecoming brings us together in a fusion that will be long remembered.

The reason I suggested Memory Lane as a theme is because years from now we all will be remembering our Homecoming Day. We will look back and our thoughts will go "down memory lane" knowing that it was our own special event and cherishing the good time we had. I know that Homecoming was new to some of you, but when you look back the memory will be of more than just a day. I know because my memory has grown far more than recalling a day.

"Memory Lane" is a solo that was sung by the late Minnie Riperton. I thank her for giving us such a theme. This theme fulfills the expectations of our homecoming. We would like this to be a homecoming that will long be remembered. Homecoming is a day I hope you will remember as I will always remember: as we go "back down Memory Lane."

AMERICA... PASS OR FAIL?

We're facing our greatest test... the Energy Test.

You can help.

- By learning all you can about the problem.
- By looking at the problem with an open mind, logically, without blind emotion.
- By considering making the technology of energy production your life's work.
- By learning to conserve.

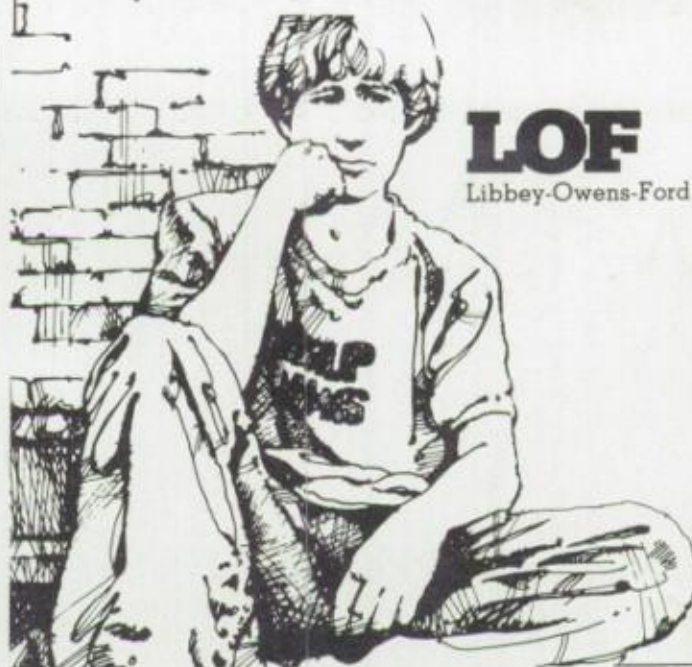

He could be learning the business.

Kids have energy and brains to burn. They get to an age when they're beyond toys and games. They get caught up in real things, when someone gives them a chance.

That's what Junior Achievement is all about. Mini-companies formed, run and

staffed by kids. Kids who dream up products and product applications the world can really use.

LOF is always looking forward. To the tomorrows that will require new products and new people to make and market them.

THOSE BABY FACED SENIORS

MEMORIES OF THE YEAR

As this album has come to an end, the yearbook staff would like to leave you with a few memories and songs of this year. In time to come you may forget about a lot, but we hope you'll remember this album, for this is one year we hope you don't forget, and one album you won't stop playing.

Our first Pep Assembly for the 1979-80 football season. Of course it started off well, quite a few people (both students and teachers) participated in the Blue and Gold contest; winners were to receive a ticket to the upcoming Libbey-Scott football game. The winner was Danita Boyd, sr., who wore a very attractive Cowboy hat. There was much enthusiasm in the stands but even more from the football team. The football players wore cowboy hats around the building. This was quite amusing to the students. The most exciting thing was when the Cowboy fans cheered their team on to victory at the Libbey-Woodward game.

Our 1979-80 Alumni game was more interesting when past sports personalities came back to play against the current team. Certainly we must not forget our Alumni introduction. Oris Tabner, the Toledo Eleven Sports Newscaster, was inducted into the Libbey High School Hall of Fame, along with Linda Jefferson the quarterback for the Toledo Troopers. Chester Trail was also inducted. Our young ladies' basketball team, and our young men's team were both put under some tight competition, but they both pulled through. The most exciting thing was that we had a chance to see the sportsmen and women who had gone to Libbey, reunited with us from their time to visit us in our time.

COWBOY, COWGIRL OF THE YEAR

Vera Harris

Cowboy and Cowgirl of the year contest, was a contest given by the senior class. The contest was open to all students in the school. The students were to get votes by raising money at one cent a vote. The winners were Cowgirl Vera Harris, sr, Cowboy Walter Parker, sr. First attendants were Yvette Strange, sr. and Scott Rankin, sr. Second place was Sandra Ewing, freshman. These students were awarded trophies for the contest.

Walter Parker

At Christmas time you can hear the voices of our choir. The choir and the band would give a special concert for the students. They would sing Christmas carols, and of course, one could depend upon some of our students joining in on their favorite carols.

How can we forget our senior bake sale that was supposed to be the biggest of the year, which turned out to be the biggest cupcake sale of the year.

Gloria Reed

Wanted seniors for next year.

MEMORIES OF THE SENIOR'S LAST WORDS

Saying good-bye just 'ain't' our style,
of course we don't do it well at all.
We'll miss each other for a while.

We never think of it as good-bye
We never really part at all. We just
say so long for a while.

We might not meet on a given street
or in some little town, or maybe
not even at our class reunion, but of
course we'll miss each other for a
while.

As we go through our lives maybe
some day
we'll go through our old yearbooks,
just
to see that smiling face and that
special place.

Thank you for being a part of our
lives.

Angela Miles

As the students walk to the cafeteria,
you can always depend on a few of our
basketball players standing in the way
making their daily hustles (selling
lunch tickets). The students always no-
ticed that these guys would never eat
while they were in the cafeteria. Well
let me tell you a little secret: these guys
would wait until the cafeteria was emp-
ty and then go in and pile their plates
SKY HIGH. Now remember, this is a
secret between you and me. This is
something that must not get around the
whole school, so don't tell a soul.

SPRIT, SPRIT, SPRIT, SENIORS have more spirit. Of course they proved it. It started off as a school spirit chain for each class for one week. The links sold for three cents a link. A few students stretched the chains across the gymnasium floor to see which chain was the longest. SENIOR, RAH, SENIOR, RAH, RAH, RAH. The seniors won with their chain stretched across the whole floor and wrapped around the gym. Then the faculty caught on to the idea and challenged the classes for a week, but the seniors still pulled through.

The Cowgirls are city champs; they broke three records in doing so. They were undefeated in all. They set City League marks for the most points scored in the league championship contest and the largest winning margin. This was the first Girls City Championship for Libbey.

All around — United States Hockey team won in the Olympics. Pittsburgh Steelers were again the NFL Superbowl Champions when they drilled the Los Angeles Rams. The biggest controversy this year was when President Carter announced that drafting women into the Armed Forces was being considered.

Libbey Varsity basketball team wins the Blue Division

Sitting in class, bored out of the head, just waiting for the bell to ring. The teacher is standing in front of the classroom going over yesterday's assignment. Now drawing cute little pictures on some scratch paper, trying to stay awake. Of course not paying much attention to the teacher. Oh, why is the room so quiet; I wish something would happen to disturb the class. Then everyone would get their noses out of the book. Why don't those girls in the back of the room stop giggling, because the teacher is looking at me. Oh well, now it's about time for that bell to ring. I'll get my books together now so I can be the first one out the door.
